

RPC Bebo - Caring For Your Products

RPC - The Essential Ingredient

Expertise

- An industry leader, thermoforming for over 50 years
- Detailed knowledge and understanding of the food market
- Technological leadership in barrier production & decoration alternatives
- 360 degree technical support from first design and product concept to filling process and line performance optimisation
- Award-winning design team for innovative solutions to packaging challenges
- Internationally recognised quality accreditations, incl. ISO 9001 and BRC/IOP Standard

Choice

- Extensive range of standard products hundreds of free moulds
- Custom design to enhance brand image and product differentiation
- Close collaboration with RPC Group's injection moulding businesses to allow for single supplier sourcing
- Serving a comprehensive range of customers, from larger European manufacturers to smaller local businesses

Sustainability

- RPC is committed to creating and producing environmentally sustainable packaging solutions that help our customers reduce their carbon footprint
- We focus on improving the design of product packaging to reduce the amount of material used whilst equaling or enhancing packaging performance
- We continue to seek ways to further reduce the environmental impact of our manufacturing operations through greater efficiencies and reduced water and electricity consumption

60 Round PP Pot Range

Range description

Volume range: 45, 60, 75ml

Material: Mono PP, PPure or Barrier Multilayer (PP/EVOH/PP)

Available in sizes: Depth 25, 34, 46mm

Diameter 60mm

Closure: Neck heat seal flange

Features

- Available in monolayer polypropylene (PP/PPure) for chill and freezer applications
- Available in multilayer PP/EVOH/PP for ambient longer life applications
- Specified grades are suitable for microwave cooking and reheating
- Suitable for hot-filling & high temperature processes such as pasteurisation and sterilisation
- Suitable for direct food contact

Contact us now for product samples, commercial and technical support - We are happy to assist with your filling trials and can provide portable sealing equipment.

Product range

Product name	Dimensions (Diameter x Depth)	Brimful volume
60 Round	Ø60 x 25mm	45ml
60 Round	Ø60 x 34mm	60ml
60 Round	Ø60 x 46mm	75ml

Full technical specifications and article drawings are available upon request. Please contact us for more details.

Haven't found what you are looking for? Please contact us for a customised solution. We are happy to design and engineer a solution tailored to your specific requirements.
