9oz Vending Range

Range description

The 9oz Vending cup range is a comprehensive range of polystyrene vending cups, in a variety of colours suitable for the vending of hot or cold drinks.

The high precision quality of the RPC Tedeco-Gizeh cup means that our customers can be assured of reliability and consistency in the product's performance in the market place, while decoration options allow for differentiation and enhanced market impact.

Features

- Available in different colours: Mocca / White / Brown & White / Mocca & White
- High quality decoration opportunities: Printing design of up to 6 spot colours
- Suitable for direct food contact
- Proven track record of highly reliable performance within a vast range of vending machines in the market place
- Designed to allow a safety brim fill gap between the top of the hot drink and the top of the cup to avoid potential hot spillages

Contact us now for product samples, commercial and technical support - We are happy to assist with your filling trials and can provide portable sealing equipment.
