

# RPC Bebo - Caring For Your Products

RPC - The Essential Ingredient

## Expertise

- An industry leader, thermoforming for over 50 years
- Detailed knowledge and understanding of the food market
- Technological leadership in barrier production & decoration alternatives
- 360 degree technical support from first design and product concept to filling process and line performance optimisation
- Award-winning design team for innovative solutions to packaging challenges
- Internationally recognised quality accreditations, incl. ISO 9001 and BRC/IOP Standard

## Choice

- Extensive range of standard products hundreds of free moulds
- Custom design to enhance brand image and product differentiation
- Close collaboration with RPC Group's injection moulding businesses to allow for single supplier sourcing
- Serving a comprehensive range of customers, from larger European manufacturers to smaller local businesses

## Sustainability

- RPC is committed to creating and producing environmentally sustainable packaging solutions that help our customers reduce their carbon footprint
- We focus on improving the design of product packaging to reduce the amount of material used whilst equaling or enhancing packaging performance
- We continue to seek ways to further reduce the environmental impact of our manufacturing operations through greater efficiencies and reduced water and electricity consumption

## L PP Tray Range

### Range description

Volume range: 320, 400, 580ml

Material: PP, PP/EVOH/PP, PET

Available in sizes: Length 123mm

Width 123mm

Depth 30 to 60mm

Closure / neck heat seal flange

### Features

- Available in monolayer polypropylene (PP) or PET
- Available in multilayer PP/EVOH/PP for ambient longer life applications
- Both grades PP are suitable for microwave cooking and reheating
- PP versions withstand hot-filling and high temperature processes such as pasteurisation and sterilisation
- Suitable for direct food contact

Contact us now for product samples, commercial and technical support - We are happy to assist with your filling trials and can provide portable sealing equipment.

### Product range

Product name	Dimensions (L x W x D)	Brimful volume
L 30 Tray	123 x 123 x 30mm	320ml
L 40 Tray	123 x 123 x 40mm	400ml
L 60 Tray	123 x 123 x 60mm	580ml

Full technical specifications and article drawings are available upon request. Please contact us for more details.
