

# RPC Bebo - Caring For Your Products

RPC - The Essential Ingredient

## Expertise

- An industry leader, thermoforming for over 50 years
- Detailed knowledge and understanding of the food market
- Technological leadership in barrier production & decoration alternatives
- 360 degree technical support from first design and product concept to filling process and line performance optimisation
- Award-winning design team for innovative solutions to packaging challenges
- Internationally recognised quality accreditations, incl. ISO 9001 and BRC/IOP Standard

## Choice

- Extensive range of standard products hundreds of free moulds
- Custom design to enhance brand image and product differentiation
- Close collaboration with RPC Group's injection moulding businesses to allow for single supplier sourcing
- Serving a comprehensive range of customers, from larger European manufacturers to smaller local businesses

## Sustainability

- RPC is committed to creating and producing environmentally sustainable packaging solutions that help our customers reduce their carbon footprint
- We focus on improving the design of product packaging to reduce the amount of material used whilst equaling or enhancing packaging performance
- We continue to seek ways to further reduce the environmental impact of our manufacturing operations through greater efficiencies and reduced water and electricity consumption

## Rectangular Tray Range

### Range description

Our broad range of rectangular trays is the perfect solution for ready meals, baby food and long shelf-life food.

### Features

- Available in different materials: Polypropylene mono and barrier (PP/EVOH/PP)
- O<sub>2</sub> scavenging material can be integrated to counteract retort shock effects and enhance shelf-life
- Available in various colours and bi-colour options (i.e. cream-white)
- Sealable
- Suitable for direct food contact
- *The Shelf-Life You Need ...*  
Multilayer plastic packaging from RPC offers an effective barrier against oxygen ingress and provides the necessary strength to allow hot fill, pasteurisation, sterilisation and aseptic filling.
- *The Convenience You Want ...*  
Plastics have proven aesthetics, functionality, design flexibility, lightweighting and shatterproof properties. We can provide the ideal pack for a wide variety of products to meet the differing requirements of manufacturers, retailers and consumers.
- *The Image You Require ...*  
Our standard and custom designs, augmented by a range of decoration options, will help maximise your brand's image and appeal.
- *RPC - Bringing Packaging To Life*  
RPC is a "one-stop shop" for your multilayer needs. Whatever your packaging requirements are, if plastics offer the solution then RPC has the answer. Our production facilities throughout Europe ensure fast and efficient service.

Contact us now for product samples, commercial and technical support - We are happy to assist with your filling trials and can provide portable sealing equipment.

### Product range

Product name	Dimensions (L x W x H)	Brimful volume
380-300-K1	160 x 114 x 34mm	365ml
465-400-K1	160 x 114 x 45mm	465ml
250-K1	180 x 113 x 26mm	250ml
400-K1	180 x 113 x 34mm	400ml
270C-K1-1	180 x 113 x 33mm	270ml
400C-K1	180 x 113 x 50mm	400ml
1000-K1-P	278,8 x 107 x 65mm	1025ml
3-4-36	110 x 80 x 36mm	159ml
3-4-51	110 x 80 x 51mm	233ml
9-5-23	95,5 x 95,5 x 23mm	120ml
