

# RPC Bebo - Caring For Your Products

RPC - The Essential Ingredient

## Expertise

- An industry leader, thermoforming for over 50 years
- Detailed knowledge and understanding of the food market
- Technological leadership in barrier production & decoration alternatives
- 360 degree technical support from first design and product concept to filling process and line performance optimisation
- Award-winning design team for innovative solutions to packaging challenges
- Internationally recognised quality accreditations, incl. ISO 9001 and BRC/IOP Standard

## Choice

- Extensive range of standard products hundreds of free moulds
- Custom design to enhance brand image and product differentiation
- Close collaboration with RPC Group's injection moulding businesses to allow for single supplier sourcing
- Serving a comprehensive range of customers, from larger European manufacturers to smaller local businesses

## Sustainability

- RPC is committed to creating and producing environmentally sustainable packaging solutions that help our customers reduce their carbon footprint
- We focus on improving the design of product packaging to reduce the amount of material used whilst equaling or enhancing packaging performance
- We continue to seek ways to further reduce the environmental impact of our manufacturing operations through greater efficiencies and reduced water and electricity consumption
