

RPC Bebo - Caring For Your Products

RPC - The Essential Ingredient

Expertise

- An industry leader, thermoforming for over 50 years
- Detailed knowledge and understanding of the food market
- Technological leadership in barrier production & decoration alternatives
- 360 degree technical support from first design and product concept to filling process and line performance optimisation
- Award-winning design team for innovative solutions to packaging challenges
- Internationally recognised quality accreditations, incl. ISO 9001 and BRC/IOP Standard

Choice

- Extensive range of standard products hundreds of free moulds
- Custom design to enhance brand image and product differentiation
- Close collaboration with RPC Group's injection moulding businesses to allow for single supplier sourcing
- Serving a comprehensive range of customers, from larger European manufacturers to smaller local businesses

Sustainability

- RPC is committed to creating and producing environmentally sustainable packaging solutions that help our customers reduce their carbon footprint
- We focus on improving the design of product packaging to reduce the amount of material used whilst equaling or enhancing packaging performance
- We continue to seek ways to further reduce the environmental impact of our manufacturing operations through greater efficiencies and reduced water and electricity consumption

Spreadable Product Range

Range description

Our range for spreads is a comprehensive range of polypropylene tubs and lids, suitable for a variety of other food applications as well. This range fits perfectly for industrial filling processes. It is easy to seal and / or close with a lid.

The high precision quality of forming satisfies the demand for high efficiency on filling lines, while material and decoration options allow for differentiation and enhanced shelf impact. This range supports an attractive product presentation. Moreover this range offers a very lightweight, nevertheless these products are very strong.

Features

- Sealable
- High quality decoration alternatives:
 - 1) Labelling (sides and / or bottom)
 - 2) IML-T (might require tooling investment)
 - 3) Preprinting (for lids only)
- Available in Polypropylene (light and oxygen barrier upon demand)
- Different substrate colours as well as bicolour available upon demand
- Suitable for direct food contact

Contact us now for product samples, commercial and technical support - We are happy to assist with your filling trials and can provide portable sealing equipment.

Product range

Product name	Dimensions (L x W x H)	Brimful volume
Tub 3-4-36 100g	110 x 80 x 36mm	159ml
Tub 3-4-51 200g	110 x 80 x 51mm	233ml
Lid 3-4UE, 2 step	114 x 84 x 9mm	/
Tub 3-2-38 200g	134 x 89 x 38mm	235ml
Lid 3-2UE, 2 step	137 x 91 x 10mm	/
Tub 3-1-40 200g	128 x 80 x 10mm	220ml
Lid 3-1UE-2, 2 step	132 x 80 x 10mm	/

Full technical specifications and article drawings are available upon request. Please contact us for more details.

Haven't found what you are looking for? Please contact us for a customised solution. We are happy to design and engineer a solution tailored to your specific requirements.
